     Used to determine if the household in
     which this person lived changed
     composition over the 4 reference months
     or in the 5th month up until date of
     interview.  A change in address is not
     reflected in this field unless the
     composition of the group living
     together changes as a result.  The
     first field is always "1".  For each
     succeeding month the value of the field
     is the same as for the preceding month
     if there has been no change in
     composition.  If a change has occurred,
     the field for the following month is
